FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 17. (a) The biennial period for which renewals are to be made shall extend from the first day of August of an even-numbered year to the last day of July of the next even-numbered year:

(b) A new registrant whose certificate bears a date during the first twelve (12) months of a biennial renewal period is required to pay one-half (1/2) of the biennial renewal fee in addition to and at the time of the payment of the certificate fee to validate the certificate for the last twelve (12) months of the biennial renewal period.

(c) All certificates of registration expire on the last day of July in each even-numbered year and are invalid from that date, unless renewed. The secretary of the board shall send a renewal bill notice by mail to every person registered and in good standing and to those holding invalid certificates who are delinquent not more than two (2) years. The notice must comply with the provisions of IC 25-1-2-6(c) and include the amount of the renewal fee and delinquent fee, if any, to validate the certificate for the succeeding biennial period. The renewal fee and delinquent fee shall be determined by the board under IC 25-1-8-2.

- (d) (c) The failure on the part of a registrant to renew a certificate does not deprive the registrant of the right of renewal until the registrant's certificate has remained invalid during two (2) biennial renewal periods if the registrant pays the appropriate delinquent and renewal fees. After two (2) successive biennial renewal periods have elapsed renewal shall be denied.

5	applicant that is certified by the National Council of Examiners for
6	Engineers and Surveyors. However, an applicant meets the
7	experience requirement under section 12 of this chapter if the
8	applicant:
9	(1) has at least three (3) years of engineering work experience
10	after the applicant graduates from an approved engineering
11	curriculum but before the applicant successfully passes an
12	examination required under section 14 of this chapter; and

36	compliance with subdivision (2), and any other information the
37	commission requires;
38	(4) pass a written examination prepared and administered by the
39	commission or its duly appointed agent; and
40	(5) submit not more than one hundred twenty (120) days after
41	passing the written examination under subdivision (4):

1	the commission under IC 25-1-8-2; and
2	(B) a sworn certification of a principal broker that the
3	principal broker intends to associate with the applicant and
4	maintain that association until notice of termination of the
5	association is given to the commission.

17	by registered or certified mail with return receipt requested, the license
18	fee and certification as prescribed in subsection (a)(5)(A) and
19	(a)(5)(B). The temporary permit expires the earliest of the following:

2	midnight, December 31, of the next odd-numbered year following the
3	year in which the license is issued or last renewed, unless the licensee
4	renews the license prior to expiration by payment of a biennial license
5	fee of twenty-five dollars (\$25). An expired license may be reinstated
6	within one hundred twenty (120) days after expiration, by payment of
7	all unpaid license fees together with twenty dollars (\$20). If the license

25	shall be held by the commission in an unassigned status until the date
26	the individual submits the certification of a principal broker required
27	by subsection (a)(5). If the individual does not submit the application
28	for licensure within one hundred twenty (120) days after passing the
